

**ORANKA Fruit Drinks.**  
Naturally healthy with Vitamin C.

The award-winning **ORANKA Fruit Drinks with Vitamin C (1+19)** are our recommendation for a healthy intake of fluids, as they can be absorbed quickly by the body because of their low osmolarity and do not contain any added sugar. The fruit content is 20 % in the mixed drink, of which sugars in the fruit account for 2 %. Just 200 ml of the mixed drink covers 50 % of the daily recommended requirement for vitamin C. Because of the fruity taste and high quality, ORANKA drinks encourage you to indulge in a glass – and in this way, you are taking an important step towards healthy nutrition. Of course, **ORANKA Fruit Drinks with Vitamin C are also suitable for diabetics.**

ORANKA Fruit Drinks with Vitamin C (1+19) are available in a multitude of flavours. You can also choose between various extremely refreshing teas. There's something for every taste. Whichever you choose: **one glass of ORANKA (200 ml of the mixed drink) covers 50 % of your daily requirements for vitamin C.**

The **Health Claims Regulation** "Regulation (EC) 1924/2006" has been in force since July 2007 in all Member States of the EU and therefore in Germany, too. It includes statutory regulations for nutritional and health-related information, verified by the European Food Safety Agency (EFSA) and proven by accepted scientific findings. For vitamin C, according to Regulation (EU) No. 432/2012 of 16 May 2012, these findings are as follows:

#### Vitamin C ...

- ✓ contributes to the normal function of the immune system.
- ✓ contributes to normal collagen formation for the normal function of blood vessels, bones, gums, skin, teeth and cartilage.
- ✓ contributes to normal energy-yielding metabolism.
- ✓ contributes to normal functioning of the nervous system.
- ✓ contributes to the reduction of tiredness and fatigue.
- ✓ increases iron absorption.
- ✓ contributes to the protection of cells from oxidative stress.

**Natural, fruity and healthy:** that's ORANKA. A functional fruit drink in concentrated form with 20 % fruit content in the mixed drink and health benefits from additional vitamin C.
